Do you smell what The Rock is cooking?

@THEROCK

Hell, I thought every day was National Pancake Day. #Dominator #UncleJemima

Following the news that the England football team are recruiting the services of psychiatrist Dr Steve Peters, the new addition to Roy Hodgson's team gets a ringing endorsement from England's former cricket captain.

@MICHAELVAUGHAN

Dr Steve Peters is a fantastic appointment by Roy Hodgson... Seen him in action and he will certainly make a difference.

Don't be fooled by the slender frame... here Mo impresses during a weights session while training in Africa.

@MO_FARAH

Who needs gym....?? Rocky style....!! #Africa

The good folk at ESPN share our love for the beard. In case you missed it, you can flick back to our feature on facial hair. Big beards are 'on trend'. Or something.

We got evicted from Sports Direct after our BESTFITTIES caused a disturbance.

@BESTFIT

Such are the regularity and quality of his goals, who are we to argue?

@IBRA_OFFICIAL

Big games are not decided by those who play it safe. #DaretoZlatan with @nikefootball

A gag from us to you (we're here all week). Follow our Twitter feed for similar banter (warning: it doesn't get any better)

@BESTFIT

There were big fights announced in February and early March, but sadly Amir Kahn – star of BestFit issue 1 – wasn't among them. Here, he tries to tee up a match up with Floyd Mayweather

@AMIRKINGKHAN

@FloydMayweather, tell @AdrienBroner to fight me on your card and when I beat him, you fight me next!

Meanwhile, the venue for the rematch between ARCH enemies (see what we've done there?) Froch v Groves was announced...

@CARL_FROCH

This is gonna be so sweet.. I cannot wait! #Froch-Groves2 #sameresult
